The story of Habitat ReStores!

Habitat ReStores are retail outlets where quality used and surplus building materials are sold at a fraction of normal prices. Proceeds from ReStores help local affiliates fund the construction of Habitat houses within the community. Many affiliates across the United States and Canada operate successful ReStores—some of which raise enough funds to build an additional 10 or more houses per year.

Materials sold by Habitat ReStores are usually donated from building supply stores, contractors, demolition crews or from individuals who wish to show their support for Habitat. In addition to raising funds, ReStores help the environment by re-channeling good, usable materials into use.

What we accept and sell!

| | |
|--------------------|------------------------|
| Antiques | Vehicles / Boats |
| Furniture | Flooring |
| Tools | Appliances |
| Cabinets | Sinks (kitchen & bath) |
| Lumber | Paint / Wall coverings |
| Doors | Windows / Screens |
| Lighting | Electrical items |
| Hardware | Mirrors / Glass |
| Pipe / PVC / Metal | Plumbing materials |
| Roofing materials | Gardening materials |

Volunteer at the ReStore!

Habitat ReStore makes getting involved as easy as possible. Whether you believe you're skilled or 'not so skilled,' have one day each week or just a few hours a month, represent a group or just yourself -- you are needed at Habitat ReStore.

Individuals- Volunteer staff positions are flexible so that they work with your busy schedule. You can even design your own position that highlights your unique skills and interests!

Groups- Work days can be arranged that are both fun for your group and tackle a 'special project' of the ReStore all at the same time!

Corporate- Your company can register by group or ReStore opportunities can be shared with individual employees as an option for your company's community service program. ReStore participates in corporate match and giving programs, if available, allowing your company to support causes important to your employees.

School Service- With Saturday and after school hours, ReStore is an excellent place to complete learning service requirements.

Personal Development Activities- Some individuals just can't commit to a long-term volunteer position, but that doesn't mean that they can't volunteer. If you only have one Saturday a year, spring or summer breaks from school, or are looking for a one-time family / couples activity, ReStore has the perfect opportunity! These development activities are designed to be completed in just a few hours; giving a real sense of accomplishment. It gives everyone the opportunity to give of their time and contribute to our cause without a long-term commitment.

Shifts are Monday - Saturday
 9 - 12 pm
 12 - 3 pm
 3 - 6:30 pm

The benefits of Habitat ReStores!

The earth - landfills are spared tons of waste because the ReStore is the ultimate reuse and recycling center

Donors - a tax deduction comes with every donation

Customers - who doesn't like a bargain?

Volunteers - regulars stay in shape, get to see all the cool donations first and have a great time

Habitat Families - learn about building products while completing part of their sweat equity

Habitat for Humanity - we build homes with low-income families who need a decent place to live while the ReStore helps cover administrative costs

Everyone WINS!!
